

## What is White?

What is White? A swan is white.

What is yellow? The sun is yellow.

What is Green? The grass is green.

What is brown? THAT bear is brown!

## When Mummy Got Stuck in the Ladder

Everyone groaned.

We all felt tired.

We had nothing to say and nothing to play.

Then Mummy got stuck in the ladder!

We laughed so hard, silently and slowly.

We sounded like goats in a field.
